

4. Look at the numbers on the right side of the scripture that you chose, and write the numbers down that are next to them. If the scripture is in the Old Testament, the number next to it will be from the Hebrew Language, and if the scripture is in the New Testament, the number relates to the Greek language. The numbers for both Hebrew & Greek are in the back section of the concordance. Hebrew is first and Greek follows that dictionary.

	<u>Hebrew / Greek</u>	
Exodus 16:10	#3519	kabod (both mean glory)
John 1:14		#1391 doxa

5. Write the scriptures out or type them. Then underline key words that need to be looked up or just key words.

Exodus 16:10

And it came to pass as Aaron spoke to the whole congregation of the children of Israel, that they looked toward the wilderness and behold the glory of the Lord appeared in the cloud.

- a) wilderness - #4057 sense of driving; pasture; desert
- b) appeared - #7200 gaze; look upon
- c) cloud - #6051 covering the sky

This was a natural historical event at that time but as we look into the scriptures, we can ask the Lord to break it down to our level and reveal the spiritual meaning for us today. The natural carnal man only sees physical things, and must be taught to discern spiritual meanings. The letter kills but Spirit gives life.

Comments: The wilderness is a desert. A place that is empty and where a person is driven into by God in order to see His glory. The Spirit led Jesus into the wilderness. Since it is spiritual in our lifetime, we do not have to leave the place where we are living naturally, but we face many things alone even when people are around. Unless you are around others going through the wilderness, it is a lonely place. God will give you understanding. Seek Him by praying.

Exodus 24:16

And the glory of the Lord abode upon Mount Sinai and the cloud covered it six days; and the seventh day He called Moses out of the midst of the cloud.
