

When forming the earth, God took six days to complete and rested on the seventh day. He did not let Moses enter into His rest until the seventh day. This is the Old Testament. However, now we don't have to take one day to rest and follow the Law. Every day is a day of rest in the Lord by praise and worship, seeking His face by mediating on the Word to find out His purpose for you.

Questions to ask when studying the topic: who, what, when, how and why? Also, how does this apply to my life.

The glory abode upon Mount Sinai. Naturally it is in Arabia. It is a mountainous area and off a distance.

Mountain	- #2022 in Hebrew
	- #3735 in Greek
Sinai	- #5514 in Hebrew
	- #575 in Greek

The mountain is a high place. In other words, we cannot stay in an unelevated position in our spiritual lives and see the Glory of Lord, let alone enter into it. There are many mountains in this region, not just one. This shows us that we must climb many spiritual mountains (dying out to our own ways and replacing them with Jesus Christs' purposes). This is how we grow.

Take your time to learn and study, and it will become easier over time

Praise the Lord!
